

About Us

Your Pub Quiz is where pubs and pub quiz teams not only compete in house but also against each other simultaneously, live across the internet.

Pit your wits against teams across the world, take part in prize competitions and participate in the world's only virtual pub quiz.

Our members contribute suggestions for question and rounds, request music and compete in a league by creating team profiles which link to weekly scores.

Your Pub Quiz pioneered the online multi-site pub quiz - ideal for any corporate / charity / personal event; a great way to bring people together.

Our trivia library caters for all interests and all abilities presented in a wide choice of formats - if we haven't got it, we can make it.

Your Pub Quiz Live is a weekly live internet radio broadcast. For details on how to host Your Pub Quiz in your pub, contact THE QUIZMASTER.

Your Pub Quiz content is subscription only, leaving your pub to generate additional revenue from your pub quiz teams.

Since all of our shows are skill based Your Pub Quiz is legal and does not require a license to play or deploy for cash around the world.

When you sign up for Your Pub Quiz, you'll be joining a community of Pubs and Pub Teams from around the world. You can make friends, establish rivalries, and track your success on our Leaderboard and Profile pages. You can post messages and send special game challenges to other players for more fun.
